### Project Description

During 2004-2006 Ms. Christy Duijvelaar has successfully completed all relevant certified courses for Spiral Dynamics Integral (level I, II and IIII). Ms. Duijvelaar i licensed for OnlinePeopleSCAN, the on-line tools for an integral spiral analysis of people, organisations and communities. For more information on Spiral Dynamics Integral, its applications and its potential meaning, ask for the introductory document. TreeVelop provides the following products based on Spiral Dynamics Integral:

• On-line PeopleSCAN testing tools and individual analyses in a 1-2 hour session.
• Personal, professional and societal insight in the client's evolution from a spiral perspective.
• Assessment, analysis and implementation of change strategies for small and medium-sized companies and organisations based on Spiral Dynamics Integral.

### TreeVelop Part

Next to several individual clients, the following organisations were clients for TreeVelops SDi training and analyses: PP Personeelsdiensten, ProNet-ASSECO South Eastern Europe, Vrije School Michael, New Age Consultants Kosovo.
